Burnable Household Waste

Every week Wed. and Sat.

● Please make sure to place in a transparent or semitransparent bag.

Kitchen waste

- Remove excess water prior to disposal

Fireworks and matches

- Make sure to douse with water

Aluminum containers

- Shoes and leather goods
- Drying agents, refrigerants and disposable heat packs
- Paper waste and small cloth pieces

Tempura oil

- Soak tempura oil into old papers or cloth

Disposable diapers

- Dispose of diaper contents into the toilet before discarding the diaper

Plastic goods

- Make sure to remove batteries

- Grass and dead leaves (Up to three sacks allowed per time) (Try to put them out in the latter half of the week)

- Remove excess dirt

Please put the following into burnable bulky waste

- Tree Branches
- Large amounts of grass and leaves

Burnable Bulky Waste

1st Tuesday

- Items that will fit in a 45L trash bag can be disposed with the burnable household waste.
- Remove as many of the metal components as possible and put out with non-burnable waste.

- Futon, Cushions, Pillows, Blankets
- Curtains, Carpets, Rugs
